Calabasas-based **Masher Media**, which is developing the online virtual world [MyMiniPeeps.com](http://MyMiniPeeps.com) for children, has received a round of angel funding from the Tech Coast Angels. According to the TCA, Masher Media has received \$300,000 from the angel group in a round, which is open for a total of \$500K in investments. MyMiniPeeps.com is targeted at kids 6

to 13. Masher Media is headed by Sherry Gunther, a veteran of the entertainment industry who produced *The Simpsons*, *Rugrats*, *Family Guy*, and the *PowerPuff Girls*. The TCA noted that Masher Media made its first presentation to the group on July 1st, and received notice of its investment on July 31st.
